Curv8 adopts Bolefloor's advanced organic flooring technology. We preserved 8 universal shapes from the infinite choices of Nature, 8 shapes which fit perfectly together, creating the most natural floor possible. Yours.

Curv8 curves are never cut from straight boards.

Curv8 has been designed as a quick turnaround solution for both the B2B and B2C markets. Our approved Partners are available to install Your floor whether it be in a hotel, restaurant, shop or private home.

Technical: Curv8 Oak is 11,7 mm multilayer product with 3,2 mm noble timber wear layer. The base layer is made from Baltic birch plywood providing better dimensional stability in seasonally fluctuating ambient moisture conditions.
